

# Natural Resource Spending Just 1% of Federal Budget

FY10 Percent of Federal Budget by Category

NOTE: Function 300 contains both mandatory and discretionary funding. For the purpose of this chart, Function 300 outlays were excluded from other spending categories. In 2010, only 2.6% of all Function 300 spending was mandatory spending. The source for all data is Historical Tables from OMB's FY 12 Budget.
